

Wigwam Nurseries Ltd fully recognises the responsibility to have arrangements in place to safeguard and promote the welfare of all children.

From the thoughtful open plan design of our premises to the many policies and procedures in we have in place, safeguarding is given the highest priority.

At a local level this will be managed through the onsite safeguarding team, led by a nominated Designated Safeguarding Lead, who has undergone specialist safeguarding training.

At senior level, safeguarding is managed by the senior management team, including a director of our Company.

In fulfilling our safeguarding role, we are legally required to share confidential family information with authorised local authority agencies.

In our Company, every staff member is a key part of the safeguarding team.
